Director

The **Vendor Selection Criteria for Clean Room Utility System** (From S.No.1 to 8) under clause 1.5 (Page No.8) of EOI document is amended and may be read as under:

1.5 Vendor Qualification Criteria for Diptheria, Tetanus and Pertusis (DTP) Facility:

1. The vendor should have good experience of successfully having completed erection, commissioning and validation of a DTP facility during last 7 years of a vaccine manufacturing Company.
2. The vendor should have provided such services to at least one WHO GMP pre-qualified vaccine manufacturing company.
3. The vendor should be aware of current cGMP norms as per schedule M of D & C and also WHO GMP guidelines. The vendor must be technically competent to provide cGMP solutions.
4. Preferably the manufacturing site/office of the vendor shall be nearby Delhi NCR region to facilitate the ease of the maintenance.
5. The vendor should have sufficient capacity/resources to take such projects within a short period of time.
6. (i) Average Annual Financial Turnover during the last three financial years i.e. 2006-07, 2007- 08 and 2008-09 (Provisional for 2008-09 if not finalized) should be at least 30% of the estimated project cost.

(ii) Experience of having successfully completed similar works during last 7 years ending last day of month previous to the one in which applications are invited should be either of the following:

Three similar completed works costing not less than the amount equal to 40% of the estimated cost.

or

Two similar completed works costing not less than the amount equal to 50% of the estimated cost.

or

One similar completed work costing not less than the amount equal to 80% of the estimated cost.

(iii) Similar works means **Supply, Installation, Testing, Commissioning and validation of a DTP Vaccine manufacturing Facility as per cGMP norms.**

7. **Personnel Capabilities:**

The firm should have suitable qualified and experienced personnel for the successful completion of the works. List of employees and bio-data of key officials shall be submitted stating clearly how these would be involved in this work.

8. **Equipment Capabilities:**

The Applicant should provide an undertaking regarding availability of equipments required for the completion of the project along with list of equipments indicating owned or to be hired. In case equipments are to be hired then source of equipments may also be indicated

9. **Financial Capabilities:**

The Applicant should submit Audited Balance Sheets for the last three financial years i.e. 2006-07, 2007-08 and 2008-09 (Provisional for 2008-09 if not finalized). These Balance Sheets should demonstrate the soundness of the applicant's financial position, showing positive Net worth and Net Profit in last three financial years.

10. **Minimum Solvency Requirement:**

A solvency certificate from applicant's Bank (Nationalized/Scheduled) that applicant is solvent for 30% of the Project Estimated Cost. The certificate should be not more than one year old

Vendors/ Firms of repute fulfilling the qualification criteria mentioned above are hereby invited to submit their "expression of interest" for participating for national competitive bidding for revival of Vaccine Manufacturing Facility at Central Research Institute, Kasauli (HP).

Central Research Institute, Kasauli (HP), Ministry of Health& Family Welfare (MOH&FW), Government of India (GOI), reserves the right to reject any or all the applications without assigning any reason or incurring any liability thereof.
