In absence of contact persons, coordination gets delayed, leading to delay in installation and training. Such delays also result in delay in completion certificates and consequent payment release. Therefore, it is requested to share contact person details along with purchase order to avoid delays and operational issues. In case such details are not provided the supplier can give undertaking that as and when installation is required it will be done. This undertaking should be considered for payment purposes and no payment should be put on hold due to unavailability of the information for installation.	Tender terms and conditions shall Prevail
8	8. Delivery period:	Twenty One (21) days from the date of issue of the Notification of Award; however, the date of delivery shall be the date of the Bill of Lading/Airway Bill. The period lapsed in issuance of dispatch clearance by HSCC/MEA or any statutory approvals shall not be counted towards the delivery period, as the same is not attributable on the supplier. The supplier shall entirely responsible to safely delivery/ handed over the Good Warehouse-to-Warehouse covering the goods from the point of dispatch in India up to the designated consignee.	We request your kind clarification on the basis for calculation of the delivery period, specifically regarding the date from which the delivery timeline will be counted. In international shipments, it is possible that the vessel may not depart as scheduled due to adverse weather conditions or other factors beyond the control of the supplier. Such unforeseen delays can impact sailing schedules despite the goods being ready and handed over to the shipping line.	Tender terms and conditions shall Prevail
