Sr. No.	Tender Clause/Para Ref.	Clause/Para Discription as per Amendment-III	Amended as/ May please be read as
2	Section-V (SCC) 15. Insurance:	Insurance : The Goods supplied under the contract shall be fully insured including transit insurance against various risks as required or approved by the Purchaser arising out of transportation, storage, delivery, at his cost up to delivery at site. Insurance policy shall be valid upto date of handing over .Proof of Insurance shall be made available before the issuance of dispatch clearance	Notwithstanding anything contained elsewhere in the contract and subject to standard of MEA donation practice, the Vendor shall, at its own cost, arrange and maintain comprehensive insurance coverage for the ambulance vehicles from the date of dispatch from the manufacturing premises up to final delivery at the designated consignee location in the recipient foreign country. The insurance coverage shall include domestic transit, storage, international transit, port handling, customs clearance risks, loading/unloading, and all risks incidental thereto, for a sum insured not less than 110% of the total invoice value The insurance policy shall be taken in the joint name of [Purchaser/HSCC] and the Vendor, and valid insurance certificates covering overseas transit shall be submitted prior to dispatch. Further, Motor vehicle insurance, including third-party liability insurance as per the Motor Vehicles Act, shall be applicable only in cases where the ambulance vehicles are required to be driven on public roads within India under temporary or permanent registration. In case the ambulance vehicles are transported on trailers or carriers and are not registered for road use in India, no motor vehicle or third-party insurance shall ordinarily be insisted upon, and transit insurance shall be deemed sufficient. However, wherever required due to statutory provisions, operational necessity, movement under self-drive, temporary registration, special instructions of MEA, or any other exigency, such motor vehicle insurance including third-party liability insurance may be arranged by the Vendor, and the cost towards the same shall be borne by the Vendor, unless otherwise specifically stated in the Purchase Order/LOA
3	Amendment -III (Clouse no-12.1)	For this purpose, the Supplier shall provide one (1) vehicle for trial in the Seychelles within forty five (45) days if delivered by sea, or within two (2) weeks if delivered by air cargo, as applicable, from the date of issuance of this Purchase Order. Delivery of the remaining vehicles shall be permitted only upon satisfactory testing and approval of the trial vehicle by the Host Country	For this purpose, the Supplier shall provide one (1) vehicle for trial in the Seychelles within forty five (45) days if delivered by sea, or within two (2) weeks if delivered by air cargo, as applicable, from the date of issuance of this LOA. Delivery of the remaining vehicles shall be permitted only upon satisfactory testing and approval of the trial vehicle by the Host Country
4	Amendment -III (Clouse no-12.2)	All expenses related to the delivery of the trial vehicle to the Seychelles shall be borne by the Supplier. In the event that the trial vehicle is found suitable and approved by the Host Country, such expenses shall be adjusted against the payment due to the Supplier. However, if the trial vehicle fails to meet the requirements or does not receive approval from the Host Country, the entire cost of transportation (to and from) shall be borne solely by the Supplier. In such case, the Supplier shall remain obligated to supply ten (10) compatible ambulances to the Seychelles, either through the same or an alternative vendor, at no additional cost to this HSCC.	All expenses related to the delivery of the trial vehicle to the Seychelles shall be borne by the Supplier. In the event that the trial vehicle is found suitable and approved by the Host Country, such expenses shall be adjusted against the payment due to the Supplier. However, if the trial vehicle fails to meet the requirements or does not receive approval from the Host Country, the entire cost of transportation (to and from) shall be borne solely by the Supplier. In such case, the Supplier shall remain obligated to supply ten (10) compatible ambulances to the Seychelles.
