The tenderer shall mandatory submit the manufacturer’s authorization letter to this effect as per the standard form provided under Section XIV in this document during the submission of the technical bid.	No Change, As per Tender Condition	The tenderer shall mandatorily submit the manufacturer’s authorization letter as per the standard format provided under Section XIV of this document at the time of submission of the technical bid. This requirement will ensure fair competition and encourage participation from reputed companies. It will ensures that the successful bidder will receive adequate technical support, warranty, and after-sales service directly from the manufacturer. Allowing the submission of the manufacturer’s authorization letter only after issuance of the Purchase Order (PO), instead of at the technical bid stage, has significant disadvantages. It creates uncertainty about the bidder’s actual authorization status during bid evaluation, may lead to post-award disputes, and risks delays in

	manufacturer's authorization letter at the time of supply. The bidder must provide details of make and model for the quoted products.			Project execution if the manufacturer subsequently refuses to issue the letter.
